[illegible]

An abstract geometric composition on a yellow background. It features several shapes: a circle on the left split horizontally into black (top) and red (bottom); a circle on the top right split vertically into blue (left) and white (right); a horizontal shape in the center with a black semi-circle on the left, a white triangle on the right, and a black rectangle with three blue horizontal stripes; a shape on the bottom left with a red semi-circle on the left, a white triangle on the right, and a black rectangle with three white vertical stripes; a shape on the bottom right with a blue triangle on the left, a red rectangle with five white horizontal stripes, and a blue diamond; and a vertical shape on the far right with a red triangle on top, a white rectangle with three blue vertical stripes, and a blue diamond at the bottom.

The background is a solid yellow color. It is decorated with various abstract geometric shapes, including circles, squares, and rectangles, some of which are divided into different colors like blue, red, black, and white. These shapes are scattered across the page, with a higher concentration in the top-left and bottom-right corners.

The background is a solid yellow color. In the top-left and bottom-right corners, there are abstract geometric patterns. These patterns consist of various shapes including circles, squares, and rectangles, some of which are divided into smaller sections or have stripes. The colors used in these patterns are blue, red, black, white, and yellow. The patterns are arranged in a way that they appear to be part of a larger, repeating design.
